

Mount Gambier Spring Show
21st & 22nd October 2022

Trade Space Information

Dear Business Owner,

The Mount Gambier Spring Show is back in 2022 in its 161st year. After a successful return of the A & H Show in 2021 we are excited to be welcoming back the public to our venue and providing another memorable event in 2022.

The annual Mount Gambier Spring Show is well supported by the community with patrons up to 15,000 attending past shows held. The two-day entertainment program will feature many popular attractions including, the Agriculture Learning Centre, two-day dog Show, Showmen's Guild Carnival, fireworks, poultry, horticulture, craft displays as well as log chop competition, livestock exhibits, and many other favourite show attractions.

Included in your site fee also is power allocation and two Trade Exhibit Passes per booking. If you require camping on site this is an additional \$20 per night. It is important that Exhibitors carefully read the Exhibitor Terms and Conditions and Site Application Form.

If you would like to express your interest in commercial space for this year's show, please complete the enclosed application forms, along with appropriate fees as soon as possible because sites are allocated on a first in first served basis for multiple products. Incomplete applications forms will not be processed.

Please note that sites will not be confirmed unless payment is received in full.

We look forward to having you exhibit at our spring show.

Should you have any questions, please don't hesitate to contact us.

Regards,

Brian Kerr

President, Mt Gambier Agricultural & Horticultural Society

Important information:

Applications will not be processed unless accompanied by the fees in full.

Whilst every endeavour will be made to meet applicant’s requests this will not always be possible and the Society reserves the right to allocate alternate sites depending on availability

INDOOR TRADE SITES

3 x 3m sites are available in the Main Show Hall

Power is available at most sites indoors.

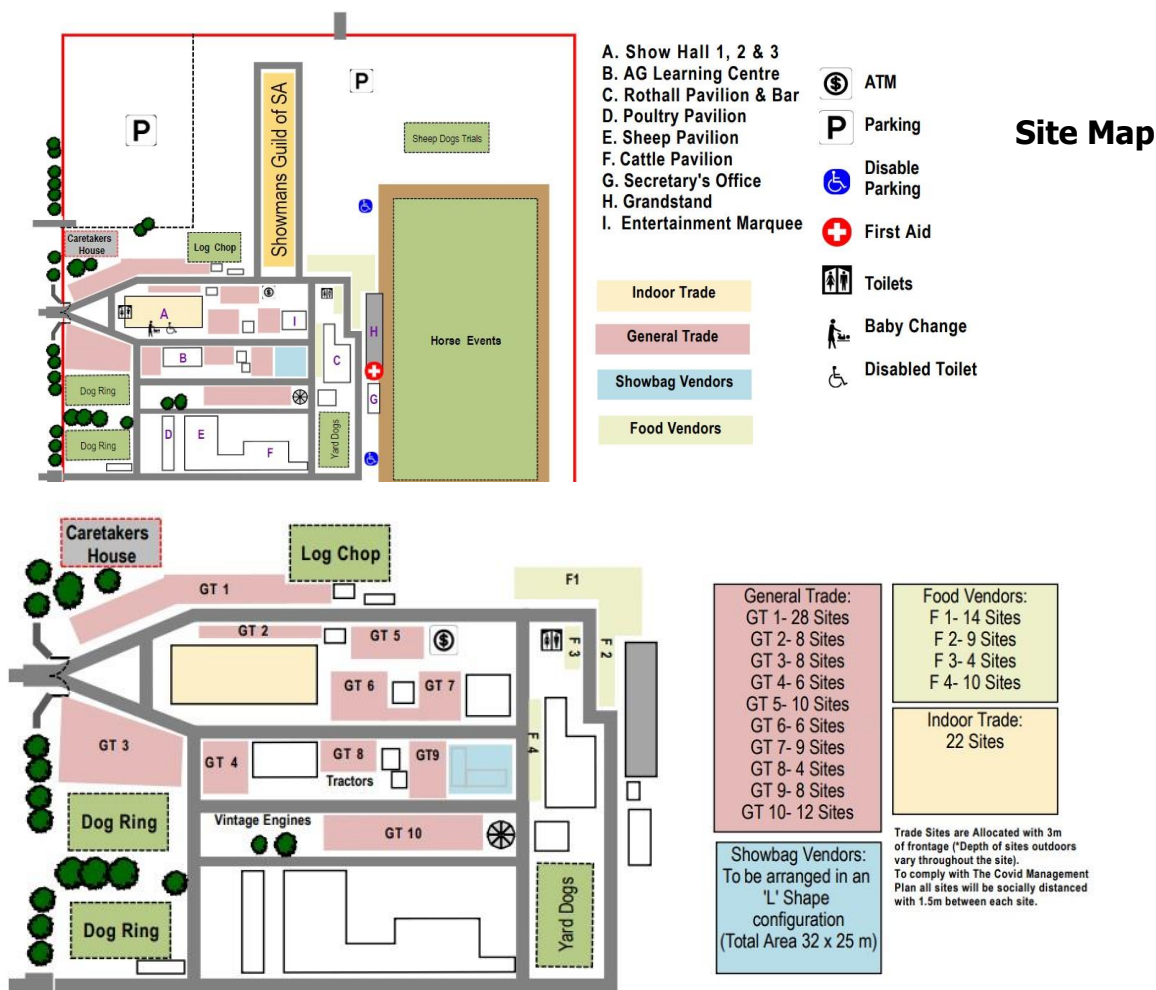

OUTDOOR TRADE SITES

Outdoor trade sites vary in size depending on location. These are sold as 3m or 6m frontage sites with varying depths of approximately 6m.

These are subject to change due to ground maintenance and structural upgrades

The map below indicates various locations available, however exact site numbers have not been allocated.

Please indicate your area of preference on your application form.

Exhibitor Terms and Conditions:

1. The agreement that encompasses the foregoing clauses and in conjunction with the application forms, constitutes the full agreement between the parties. The parties to this agreement are the Mount Gambier A & H Society (here after known as The Society) and the Exhibitor, and if applicable their site sharer, to the exclusion of all others.
2. This agreement supersedes all prior agreements, representations and understandings.

Allocation of Sites:

3. Sites are allocated as the applications are received with **full payment**. With the exception of sponsorship agreements, the committee does not reserve sites from year to year. However, if an application is received early enough the secretary will do their best to accommodate any request regarding the site location.
4. The Society reserves the right to make changes without notifying the exhibitor prior.
5. Once the application is processed and finalised the Exhibitor will be issued with a tax invoice.

Applications:

6. **Applications will only be processed if they are complete and accompanied by full payment.**
7. The society has the sole discretion to provide the terms of payment. Unless otherwise agreed, payment must be received by the secretary prior to the acceptance of an Exhibitor's order.
8. Cancellations by the exhibitor before September 30th will be refunded. No refunds will be offered after September 30th. In extenuating circumstances an application to the committee can be made for consideration.
9. The committee has the sole discretion to cancel or refuse any application. If your application is refused prior to October 8th, a full refund will be given.

Site Boundaries:

10. Space allotted must be adhered to, boundary creeping is strictly prohibited. All tent pegs, ropes and tow bars on caravans must come within the perimeter of the site. The exhibitor's display shall not extend over the boundaries of the site, nor may they tout for patronage outside their boundaries. All fire hydrants and walkways adjacent must be kept clear at all times.
11. The committee reserves the right to enforce an exhibitor to remove any breach of the site boundaries.

Trade Exhibitor Passes:

12. Trade Exhibitor Passes are allocated per booking and allow two persons and car admission for one vehicle to the Showgrounds for the Friday and Saturday of the show. Additional two-day passes can be purchased from the secretary at \$20 per pass.
13. Entry to the showgrounds on Friday and Saturday is by ticket or payments of Gate Admission Only. Exhibitors are to ensure that adequate Trade Exhibitor Passes are organized prior to the event, otherwise gate admission will be charged.

14. Exhibitors Trade Passes will be available for collection from the Secretaries Office from 7 days prior to the Show unless posted prior. Arrangements can be made to collect your passes prior to this date.
15. Exhibitors shall not sell or transfer to any other person, under any circumstances, exhibitor passes issued to the exhibitor by the Society for the sole use of personnel staffing stands. Breach of this condition by the exhibitor will render the exhibitor liable for payment to the Society in full for all exhibitor passes issued in the name of the exhibitor.

Vehicle Access & Movement:

16. Trade Exhibitors must present their Trade Exhibitors Pass with Car Pass to gain access to the Trade area. This permit is for unloading only.
17. Vehicle access is only granted when entering through Gratwick Drive.
18. Vehicle speed is 5km/hr which is walking pace only.
19. **Vehicles MUST not move around the Showground between 9am and 7pm.** A fee of \$200 will be charged if any cars are found to be moving during the event times.
The only exception is the vehicles of those moving to participate in the Grand Parade on Saturday between 12 and 1pm.
20. Vehicles are to be parked on the 'on-site' parking areas during the duration of the show to ensure that public access and view is not restricted.
21. Large machinery for display etc must be onsite prior to 8.30 am each day of bump in. If movement of large vehicles is required after 8.30am two flagmen must accompany vehicle front and back in high vis vests for safety of pedestrians.
22. Special provisions can be granted by the committee if they are submitted in writing and received by the committee at least two weeks before the event.
23. Any person misusing or contravening the conditions of issue of vehicle entry passes or parking in contravention of the Mount Gambier A&H Society Regulations will have their Passes withdrawn.

Setting Up & Re-stocking:

24. Trade Exhibitors may access to set up on Wednesday and Thursday prior to the event.
25. If you need to unload stock outside of vehicle access times on Friday and Saturday you can do so by hand truck or trolley from one car parks within the show grounds. Staff can gain pedestrian access to stands at other times providing they present a valid pass.
26. All sites are to be set up by 9am Friday of the event.
27. No tables, trestles, chairs, floodlights or power leads will be supplied. Please ensure that you have all the necessary equipment with you.
NB: All electrical cords, equipment & RCD's must be tagged and tested.

- g. The sample will be consumed at the point from which the sample was received and appropriate facilities are provided to accommodate any waste generated.
- h. Exhibitors considering sampling of food and beverage should contact the secretary's Office.

39. It is a requirement of the Food Act 2001 that all food businesses notify the Food Authority (the City of Mount Gambier [the Council]) of their existence. There is no fee associated with this notification. It is only necessary to notify once unless circumstances or any details change and then details need to be updated. Once Council is notified they will issue a notification number, which you will be required to provide when Council undertakes inspections.

The necessary notification can be done online by connecting to www.fbn.sa.gov.au or by completing a notification form available from the City of Mount Gambier, PO Box 56, Mount Gambier 5290. If notification is done electronically an email will be forwarded with a notification and PIN. This email is a Certificate of Notification.

Enquiries with regard to Notification should be directed to the Environmental Health Officer on 08 8721 2530.

Dispute Resolution:

40. Any dispute or controversy which may arise between parties is to be reported to the committee and/or security personnel immediately. On investigation exhibitors may be asked to vacate the premises at the discretion of the committee.

41. The committee's decisions are final and any refusal to vacate will result in removal by the authorities. At such time the committee will not be responsible for loss of income or stock.

Safety:

42. Exhibitors are recommended to have on site:
 - a. One small fire extinguisher
 - b. One small fire blanket
 - c. One small first aid kit
43. Event Medical First Aid Station is located in the building adjacent to the Secretaries office.
44. Incident forms can be sourced from the Secretaries office if required.
45. Exhibitors are responsible for ensuring that all persons on their stand are acquainted with the position of the nearest Fire Points & Exits.

Risk Management:

46. It is a requirement that you notify the committee if you intend to use LP gas on your stand. Cylinders cannot exceed 45kg in size, they are not to be used inside Halls only on outside trade sites, they must be secured and comply to Acts and Regulations and the connection must be checked for leakage every morning.
47. Exhibitors' attention is drawn to the Regulations under the Occupational Health, Safety and Welfare Act, 1986 which requires that a hand-held electrical appliance must incorporate an Earth Leakage device in the circuit provided by the Exhibitor and must be safely tagged.

53. Any amplification must not interfere with adjacent exhibitors.
54. Advertising over the internal Public Address System will be available on Friday & Saturday of the event. Please contact the secretary two weeks prior to organize your advertisement.

Public Liability Insurance:

55. **All exhibitors and site sharers must hold their own Public Liability** Insurance covering them again occurrence attributable to their activities or the activities of any person from whom they are directly responsible.
56. An exhibitor who chooses not to have this insurance will not be allocated a site. Compulsory insurance is not a decision of the committee but is a direct request of all insurance companies involved in public events. Please supply policy details and certificate of currency with your application.
57. The Mount Gambier A & H Society shall not be liable for any loss, or damage of any exhibitor's property.

Camping

58. Camping Requests should be completed and forwarded to the Secretary at least 3 weeks prior to the event. On-site camping incurs an additional fee of \$20 per night. Sites will not be allocated. Limited powered sites available.

Stand Cleaning & Waste Disposal:

59. Exhibitors are required to maintain their stands for the duration of the show. Exhibitors agree to:
- a. keep their stand/s and, where applicable, the area to a distance of 3 metres surrounding it, in a clean and tidy condition and shall be held responsible for the condition of this area during the opening hours of the Show.
 - b. be responsible for cleaning their own stands prior to opening each day.
 - c. retain all rubbish on their stands, **until the end of each day**. Rubbish may then be placed in the bins provided. All waste including liquids must be disposed of responsibly. Storm drains must not be used for the disposal of any waste.
 - d. Exhibitors shall equip their exhibit site/s with litter bins provided by the exhibitor which are to be emptied into the nearest litter bin or industrial container at the close of each day's trading. All cartons and boxes are to be flattened before being placed into designated recycling bins.
60. At the conclusion of the event exhibitors agree to responsibly dispose of rubbish into the bins provided. Excess waste left outside of the bins may result in exhibitors incurring additional clean up costs.

Trade exhibit awards:

The society awards champion trophies for exhibits in the following categories:

- Best New Exhibit
- Best Indoor Exhibit
- Best Home & Leisure Exhibit
- Best Industrial Exhibit
- Best Food & Beverage Exhibit

Overall Champion Trade Exhibit will be awarded a complimentary trade site for the following show.

Additional Stand Information:

The following requirements relating to exhibition stands are in place:

- Any damage to the venue resulting from the construction of your exhibit will be the sole responsibility of the exhibitor.
- All stands and fittings must be free standing, substantially erected or placed and must conform with the requirements of all Acts of Parliament and Regulations.
- Exhibitors constructing display walls are required to finish the back walls so as not to negatively impact on neighbouring stands.
- Blank walls facing onto the walkways are not permitted.
- In the construction of stands, no exhibitor shall use wall plugs or any other similar fixings; apply paint, oil, varnish or any other dressing to venue walls, pillars or floors; fix anything to the floors, walls, roof or roof supports either by use of percussion driven fixings, glue, double-sided adhesive tape or any other means whatsoever.
- Exhibitors shall not drive any metal pipes or other type of fixings into sealed or paved surfaces. Sleeves may be cemented into sealed surfaces but only after permission in writing has been obtained from the Society. Exhibitors damaging or defacing Society premises will render themselves to be refused space at subsequent Shows and possible legal implications.
- The use of tan bark or any other materials likely to stain floors is permitted only if they are used on an adequate area of industrial plastic sheeting.
- Drop sheets or protective sheeting must be used on the stand when painting to avoid paint marking the floor.
- Loose display material such as bark and wood chips must be positioned on suitable protection sheets.
- Caravan units used for promotional or trading purposes are to be fitted with 'skirting' and hired portable building or office units to have the hiring agent's signs camouflaged and the units to be suitably dressed.
- Exhibitors shall keep all their exhibit site/s and office/s staffed and properly operating and in a clean condition and adequately lit during exhibition hours throughout the full period of the Mount Gambier A&H Spring Show.

- Care must be taken to minimise trip hazards and obstacles. Avoid laying unprotected cables or pipes on or above paths, walkways or roads.
